

# Upland's Holiday Greens Sale

and

## Santa's Workshop and Book Fair

You will find something for everyone on your holiday list!

This event is being held at Upland Country Day School and will benefit the Parents Association fundraising efforts. As always, we appreciate your support of the school.

Thursday, December 1st through  
Friday, December 2nd  
8:00 am - 5:30 pm  
The Barn

Upland's Parents Association will be hosting a Holiday Green Sale on December 1st and 2nd. You will be able to purchase a wide variety of holiday greens, flowers and topiaries. Get your shopping done early with these beautiful gifts! In addition, Santa's Workshop and the Book Sale will also be held on these days!

### The Greens:

We will be featuring a large array of ivy topiaries, potted herbs, lemon cypress shrubs, paper-whites, and decorated wreaths. The holidays are fast approaching and these beautifully crafted items make perfect gifts for friends, relatives and neighbors. Also, don't forget about coaches, teachers and hostess gifts! We invite you to bring along any one else you know who would like to get some holiday shopping done.

Give a gift that will last the whole year!

### Santa's Workshop:

On December 1 & 2, your children will have the opportunity to shop at the Santa's Workshop at a scheduled time with their class. Santa's Workshop provides kids with a special place to purchase gifts for their family, friends, and pets at a very low cost - and we provide gift-wrapping too! We have lots of little treasures - toys, jewelry, trinkets and stocking stuffers - all under \$10.00! So just help your child(ren) create their gift list and a budget and send them ready to shop!

Any questions? Contact Tara Toocheck at [ttooch4@gmail.com](mailto:ttooch4@gmail.com)

### The Books:

Grace McKay will also be setting up her annual Book Fair in the Library. Come check out all the great books for kids of all ages! You can find something for every young reader!

**We are looking forward to seeing you on Campus!**

Thank you for your support of the Upland Parents Association!
